

## Polite Notice to Parents and Carers

### When your child is unwell

If your child is unwell please keep him or her at home. Children often feel much happier being at home if they are feeling under the weather.

If your child has diarrhoea and/or sickness please keep him or her at home until 48 hrs following the last episode. Likewise, if your child has a high temperature or has been prescribed antibiotics for an infectious illness or complaint please keep them at home for 48 hours.

We do appreciate that parents and carers have very busy working lives and that it is sometimes difficult to leave work to collect a poorly child but please be mindful that if your child is contagious it will spread to other children and their families.

Please telephone us to let us know if your child is ill and when you expect him or her to return to pre-school.
